Case # CV19 - 6392

Cause: 42:1983 Civil Rights Act

Date Filed: 02/10/2020.

ORIGINAL

The reason I'm requesting additional time to amend case no. CV19-6392 because I just submitted my Affidavits of Services with the court on February 5, 2020 and I later learned that there was a decision to dismissed defendants made on January 23, 2020. on a incomplete process that was not complete until 02/5/2020, I never received the mail of this decision as of yet, I called on 02/07/2020 at 3:53pm and asked the pro se clerk for proof of service and was told that they didn't have to provide me with a proof of service because it was send out thru regular mail, and that I dont understand being that the Seriousness of this case requires proof of service of such a decision

or any decision made by a Judge on
record. I am respectfully requesting
for additional time to prepare and
amend this case # CV19-6392,

Carthen, Lyone Laval
Thank you in advance.
